

PEOPLE & STORIES GENTE Y CUENTOS

Connecting Lives Through Literature

People & Stories / Gente y Cuentos brings literary short stories to "underserved" populations in settings such as prisons, halfway houses, alcohol/drug rehabs, GED programs, senior centers and youth programs. We believe that beautiful, enduring literature belongs to us ALL.

Please affirm your belief in the life-changing power of literature by supporting People & Stories/Gente y Cuentos as generously as you can this year. Visit www.peopleandstories.org to learn more and discover ways you can support.

86%

of participants reported wanting to read more after our program

3
out
of 4

learned new strategies for handling situations they may encounter.

92%

said reading helped them better understand themselves, others, and the world.
